

In telepractice:

From the jurisdiction in which you are a member, to clients located in Quebec

For example:

- *You wish to continue an intervention with a client usually seen in your jurisdiction while the client is temporarily traveling to Quebec;*
- *You wish to offer a temporary or ad-hoc service to a client residing in Quebec.*

Or

From Quebec, to clients located in the jurisdiction in which you are a member;

For example:

- *You are temporarily traveling to Quebec and you wish to continue an intervention with your client located in your jurisdiction.*

Or

From a jurisdiction other than that in which you are a member and other than that of Quebec, to clients located in Quebec.

For example:

- *You are temporarily traveling to a jurisdiction other than yours (but not in Quebec) and you wish to continue an intervention with a client located in Quebec.*
